

Privacy Policy for MailBody.io Chrome Extension

At MailBody.io, we are dedicated to safeguarding your privacy and ensuring the security of your personal information. This Privacy Policy outlines how we protect your privacy since we do not collect or store any user data through your use of our Chrome extension, MailBody.io, and its associated services.

Information We Do Not Collect:

At MailBody.io, we do not collect or store any user data. We do not gather any email prompts, email content, responses, usage information, or any other personal or identifiable data.

How We Safeguard Your Privacy:

Since we do not collect any user data, there is no information for us to use, disclose, or protect. We prioritize privacy by design, ensuring that no user data is collected or stored during your interaction with MailBody.io.

Data Security:

While we do not collect any user data, we still take reasonable measures to protect the security of your personal information. We ensure that our systems are secure and regularly updated to mitigate any potential security risks.

Changes to This Privacy Policy:

We reserve the right to update or modify this Privacy Policy at any time. If we make material changes to this Privacy Policy, we will update it on MailBody.io website.

Contact Us:

If you have any questions or concerns about this Privacy Policy or our practices regarding user data (or lack thereof), please contact us at support@mailbody.io.

By using MailBody.io, you acknowledge and agree that no user data is collected or stored, and you consent to the terms of this Privacy Policy.
